PRELIMINARY AMENDMENT

Dear Sir:

Applicants submit this Preliminary Amendment for entry before examination of the above-identified application. Because the amendment relates to the deletion of a paragraph from the specification, a marked-up version of the amended specification is not supplied pursuant to 37 C.F.R.

§ 1.121(b)(iii).

Amendment to the Specification:

Please cancel the paragraph and its header at lines 9, 10, and 11 of page 1.

Remarks:

The to-be-deleted paragraph was inadvertently included, as it duplicates the priority claim to the provisional application found in the section entitled "Cross Reference to Related Application"
